

## Parts of the body

Two little hands and two little legs,  
One big back and one big chest.  
Ten little fingers, ten little toes,  
Two little eyes and one little nose.

Two little ears and two little feet,  
One little mouth with lots of teeth.

Rosy lips and a big forehead,  
And lots of hair on the head.

One little chin and two elbows,  
Two little ankles and two eyebrows.

One long neck and two chubby cheeks,  
Two long arms and two round knees.

These are the parts of my body.
