

## Lesson 8

## Little Silver Fishes

Little silver fishes  
 Darting to and fro,  
 I can see you shining  
 As you come and go.  
 In the bright cool water  
 Merrily you play,  
 That is very pleasant  
 On a sunny day.  
 But when winter passes  
 Through this pretty glen,  
 Little silver fishes  
 What do you do then?
